# Introduction

***A**nother year has passed strengthening our wings by meeting new challenges. We have carried on with our journey to fight against Poverty, Ignorance and Apathy. Our conviction on the faith that "together we can" has sustained our journey. In SEVA despite various obstacles and adversities we have never refrained from our perseverance. It is said that the objective is to keep the objective the Objective and we are proud to say that we have succeeded to keep our endeavour for the well being of fellow human beings as the sole objective.*

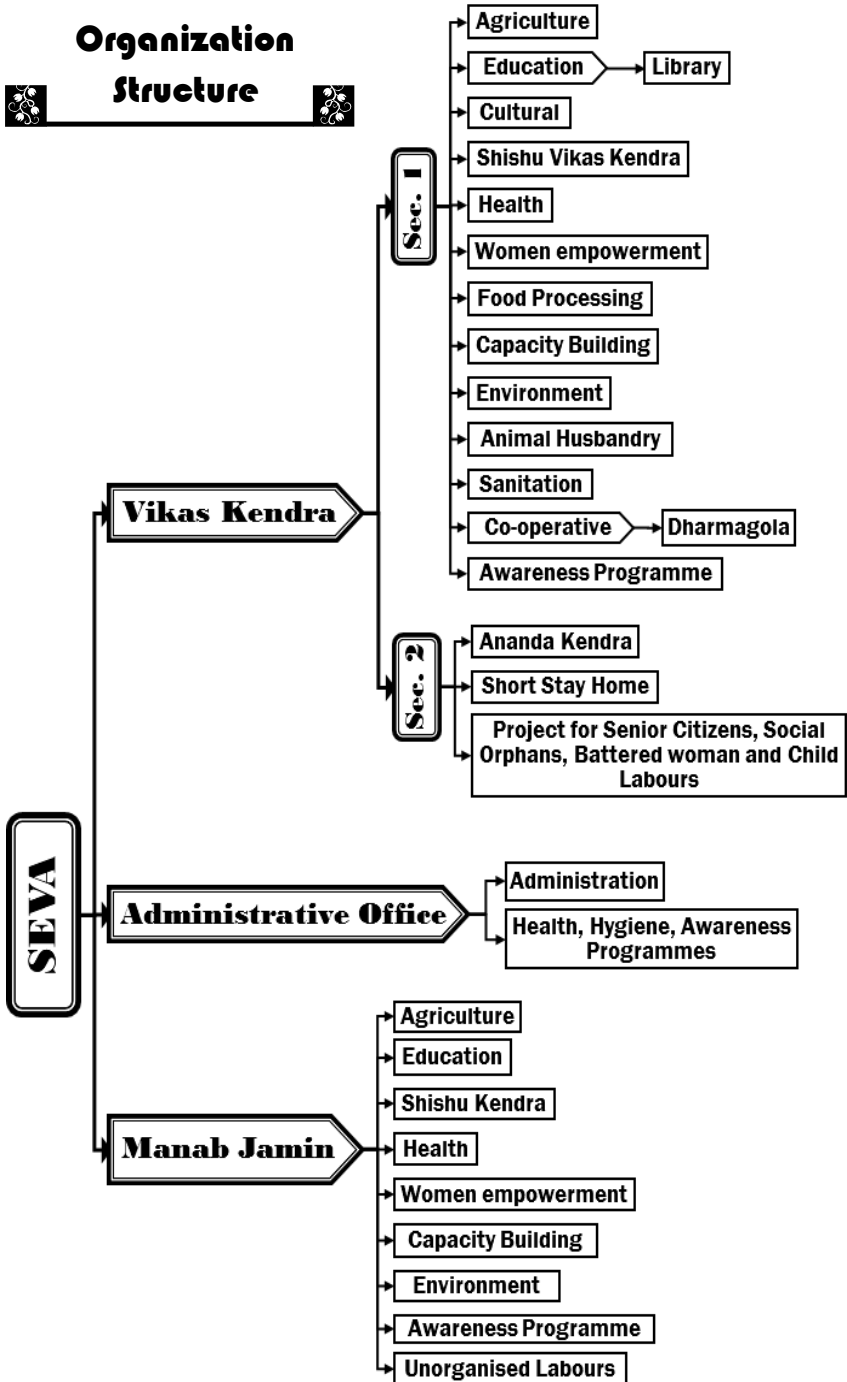

*Notwithstanding some changes in the organisational set up we have prepared ourselves to proceed with new gear.*

*We believe in the well known proverb that it is better to light at least one small candle than to curse the darkness and particularly this year's journey of SEVA has experienced the power, love and warmth of such numerous rays of hope.*

*In the light of that experience let us share the Annual Report.....*

# Organization Structure

## **Vikas Kendra**

[A Project of SEVA]

 Address:

**Vill+P.O. Atghara,  
Dist. North 24 Parganas, Pin- 743438,  
West Bengal, INDIA**

## VIKAS KENDRA

Vikas Kendra started journey for rural development in the year 1985. Vikas Kendra has been performing Social work in the field of Agriculture, Health, Education, Women Empowerment, SHG Environment etc. for last 31 years. It is a Civil Society Organization based in Baduria Block and working in surrounding 3 Blocks in North 24 Parganas with synergic association with various National and International developmental Agencies.

### AGRICULTURE

In total there are 579 farmers (in 129.83 ha. land) who are under agreement with us to produce Jute, vegetables and field crops using only Organic manures and Organic pesticides to eradicate diseases caused due to inorganic pesticides . They are spread over 17 villages in Baduria and Deganga Block. Out of these farmers some are engaged in producing Phospho-compost, Vermi-compost, Liquid manure, Green manure for their own use. All the organic farmers are also engaged in making organic pesticides under our direction and guidance.

We are pleased to inform that our Organic farmers produced all inputs by themselves which is one of the basic principles of organic agriculture. For this purpose different types of programmes related to Organic Agriculture are being organized throughout the year.

#### **Relay Cropping Vegetables & Mixed Cropping of Vegetables**

152 demonstrations on Relay Cropping & Mixed Cropping in vegetables were done in farmers' fields in 16 villages. The total area of vegetables in this programme was 12.16 hectares. The vegetables grown were Beet, Onion, Beans, Red leafy Vegetables, Carrot, Tomato, Pumpkin, Bitter Gourd, Cabbage, Cauliflower, Radish, Green Banana, Parwal, Brinjal, Basil etc.

## **Nutritional Garden**

This is similar to kitchen garden. In all the kitchen gardens only organic fertilizers are used. 35 families of 7 villages have received from us 10 kinds of seeds and plants for their own kitchen gardens.

This method enabled the women farmers to augment their daily intake of vegetables in their normal meals and some of them also sold a part of produced vegetables and obtained good pocket money.

## **Greening India Programme**

Global Warming has set in but deforestation and cutting trees are going unabated. The embankment is being broken during high tide. To maintain the ecosystem and to save the embankment, plantation is essential on embankment and its nearby areas. We (Vikas Kendra) distributed saplings of 938 numbers of Fruit plants and 8262 Lambu & Mehagini plants among 87 farmers under GIP programme and 25kgs. seeds of babla were spread over 2 KMs of road side and 1.5Km of Ichhamoti riverside, direct seeding was done in 3 villages. 6000 timber plants and 500 fruits plants were grown in our permanent nursery. It is an ongoing programme.

### **1. Organic Jute**

Jute happens to be a major crop for the farmers of West Bengal. Gunnies and other packing materials are made out of natural jute fiber which is now losing market in the face of synthetic alternatives. As a result the demand of Jute fiber is decreasing day by day. This is the 10<sup>th</sup> year of Organic Jute programme. Jute fiber produced organically i.e. not using any chemical fertilizers or poisonous insecticides commands a better price in the international market.

This programme was introduced by SEVA along with Ganges Jute Pvt. Ltd. The seeds, package of practice and post harvest measures were supported by CRIJAF. The product is certified by

IMO Control, the internationally reputed Certifying Agency. In this year an area of 107.2 ha. has been brought under this scheme.

Gloster Limited adopted a new village i.e. Kankarasuti under organic Jute cultivation in collaboration with SEVA. This programme has been launched by Vikas Kendra along with Gloster Limited. An area of 28.27 ha. has been brought under this scheme.

We distributed 550Kgs. of Jute seed among our 469 organic farmers supported by Ganges Jute Pvt Ltd. Hooghly and 150kgs of Jute seed among 110 new organic farmers supported by Gloster Ltd.

## **2. Organic Bazaar**

This Organic Bazaar programme is functioning since last 14 years. One local Organic Bazaar is running at Atghara on every Monday and Friday to sell produces grown by the registered organic farmers. In addition, Organic Bazaars also have been organized at Pallisri seed corporation office, Kolkata, and Dumdum Organic Bazaar Samity. The entire organic Bazar programme is supported by SEVA. Our Eco-volunteers organized this Bazaar programme.

## **3. Technology Transfer**

Vikas Kendra developed some Indigenous Technology for the preparation of liquid manure for application on the crops, botanical pesticides for the control of pest and disease. These are eco-friendly.

The experts attached to SEVA conducted training programme at different places. The training details are given bellow:-

<b>Subject Discussed</b>
<ul style="list-style-type: none"><li>• Preparation of liquid manure for application on the crops.</li><li>• Botanical pesticides for the control of pest and disease.</li><li>• Preparation of Compost &amp; its use.</li><li>• Utility of Organic Agriculture.</li></ul>

Sl. No.	Date	Place	No of Participants
01	01.01.16	Nagarukra High School	30
02	16.02.15	Bhanderkona	38

To increase the Knowledge of Organic Farming of the students of BCKV, IGNOU an exposure visit programme had been introduced in the fields of Organic Farms at Vikas Kendra led by Prof. Mahadev Pramanik., Training Coordinator, IGNOU.

#### **4. Exhibition**

On 20<sup>th</sup> November'15 we have conducted a farmers' day programme, on utility of Animal for organic cultivation and its future, Dr. R.A. Dey, Ex Senior Scientist of NDRI & Mr Abdur Rahaman have facilitated this Programme; we also arranged an Organic Vegetables stall at Titumir fair. 36 farmers got awards for their exhibits.

21-23 December, 2015 we attended the Agriculture Fair at Iswarygacha F P School of Baduria Block and we presented a model Kitchen Garden, SRI paddy field, Compost demonstration etc.

We participated in the exhibition organized by Nagarukra Pushpa mela Committee from 31st December'15 to 3<sup>rd</sup> January'16. 24 organic farmers displayed 64 varieties of organic vegetables and fruits in the programme. Mr. Abdur Rahaman judged these exhibits and also held a farmers meeting. Mr. Abdur Rahaman summed up and made the farmers aware about this meeting. We have organised a Farmer's day programme at Nagar Ukra on Organic Cultivation.

On 1st to 8th February'16 we arranged one organic stall at Lokutsab, Banipur; near about 5000 participants visited this stall. We sold products like Peda, Jam, Jelly, organic vegetables & fruits of ₹8000/-; Abdur Rahaman, Ferdousi Bibi, Halim, Rabiul Islam, Likat Biswas & Hannan Ali of Vikas Kendra attended the

stall.

We participated in the exhibition organized by Bhandekona Milon Sangha on 15<sup>th</sup> to 18<sup>th</sup> February'2016. 28 organic farmers displayed 45 varieties of organic vegetables and fruits in the programme. Abdur Rahaman Judged the exhibits and also held a farmers meeting. Mr. Abdur Rahaman summed up and made the farmers aware about this meeting.

### **Farmers Awareness Meeting/Training**

We organized 24 farmers meeting/training on Jute retting, Land preparation, Internal Inspection, Vermi compost making, upgrading of organic agriculture, Bio-pesticide making, Crop planning and future of organic jute.

Sl. No.	Date	Place	No. of Participants

14	28.03.16	Vikas Kendra	12

## 6. Farmers' Day Programme

On 12.08.15 Abdur Rahaman, Rabiul Islam & 23 ST Farmers went to CRIJAF, Nilgang to attend farmers' day programme cum exposure visit.

On 12.12.15 Abdur Rahaman,, 12 Eco-volunteers & 24 ST Farmers went to CRIJAF, Nilgang to attend Seed Day programme to train ourselves in seed production discussed by a number of scientists.

## 7. Permanent Nursery

6225 numbers of Special variety of Lambu and 532 numbers of

fruit seedling were raised in our permanent nursery which will be planted in the bank of Ichamoti river and also will be sold out in the next year.

### 8. ACTIVITIES AT OUR OWN PREMISES

- i) AEC: - The 3 acre land is being successfully used to produce various organic vegetables by adopting relay cropping method. 140 mango plants are bearing in this year at AEC campus.
- ii) Some quantity of Areca Nut and Bay Leaf was sold from the campus collecting ₹ 7800/-.
- iii) The fruit garden at Vikas Kendra earned an income by selling fruits of ₹ 15300/-

### 9. DISTRICT AGRI MARKETING DEPARTMENT

Vikas Kendra this year made 10 numbers of Traditional Gola structure and 59 numbers of Pakka Chatal in the farmers' houses & distributed 40 nos. of Vans in our Project area with the help of Agriculture Marketing, Govt. of West Bengal. Also Agriculture Marketing, Govt. of West Bengal organized one training programme at Netaji Farmers Training centre, Tarakeswar, Hooghly. Our farmers & staff attended that training programme. The details are given bellow:

Sl. No.	Date	Place	No. of Participants
01	26.10.15	Netaji Farmers Training centre	20

### Jute Gradation Training

We conducted 5 Farmers' Trainings on Jute Gradation with the help of Agriculture Marketing, Govt. of West Bengal. The details are given bellow:

Sl. No.	Date	Place	No. of Participants
01	05.05.15	Purba Bena	25 Farmers

**NEXT**

02	05.05.15	Baliakhali	25 Farmers
03	08.05.15	Dwip madia	25 Farmers
04	08.05.15	Ghoraras	25 Farmers
05	12.05.15	Fulsara	25 Farmers

### **Consumer Affairs Awareness Training**

We organised 04 consumer awareness meetings on fair business, consumer court, Chit-fund etc.. The details are given bellow:

Sl. No.	Date	Place	No. of Participants
01	25.08.2015	Kankrasuti	63 Farmers
02	11.09.2015	Chakla GP office,	32 ICDS workers
03	19.09.2015	Gulaichandi BVNEWS Office	27 ICDS workers
04	10.10.2015	Dwip Madia	35 Farmers

### **Enhancement of livelihood security of PaschimSimla & Ghoshpur (North-24 Pgs.) farmers under Tribal Sub Plan ( TSP ) Supported by CRIJAF, Nilgange, Barakpore. Organised by Vikas Kendra**

Ghoshpur village is located in Chatra Gram Panchayat under Baduria block of North-24 Parganas district. This village is relatively backward and not so economically sound. There are around One hundred Thirty families of scheduled tribes belonging to Sardar tribe. Major source for livelihood for these tribes in the village is farming either in their own land or in leased land. Some youths and family heads are involved in other works like masonry, private jobs in Kolkata, some are engaged in agriculture fields on daily wages and their family members also assist them by contributing in the farming to meet their livelihoods. There are around Seven Self Help Groups (SHG) in this village. Many of the tribal farm women are registered in these groups. But the activities of these groups are insignificant because of lack of sufficient trainings on various enterprises.

As per the preliminary survey of the village, the major crops grown by the villagers are jute, paddy, sesame, mustard, vegetables and some other crops. It was observed that the farmers are not following improved cultivation practices because of lack of awareness/knowledge about various improved production methods. In order to enhance the livelihood security of these tribal farmers the following interventions can be undertaken in the villages in the coming crop season.

### **1. Pest and Disease Management**

The tribal farmers of Ghoshpur reported that there were no proper guidance given to them regarding the pest and disease management in jute and other crops. Semilooper and mite were the major pests that affected the crop in the past. Integrated pest and disease management would definitely help in increasing the profitability from jute and other crops of the area.

### **2. Microbial Retting**

Proper retting methods were hardly followed by the jute farmers of Ghoshpur. As a result of this, the fiber quality obtained by them is very poor. In order to improve the situation, microbial talc based powder can be supplied to the farmers along with the proper retting practices which will help in faster retting and obtaining better quality fiber.

Last year we arranged many training programmes among the Paschim Simla scheduled tribes families. CRIJAF supported through Vikas Kendra by giving Jute seeds, Mustard seeds, Coriander seeds, Potato Seeds, Paddy seeds & all types of inputs among Paschim Simla scheduled tribe families. Also 360 numbers of chicks and 288 numbers of Duckling were distributed among 72 numbers of Paschim Simla scheduled tribe families. CRIJAF arranged through Vikas Kendra for vaccination to the Chicks & Ducklings round the year. Now 32% Chicks & 51% Ducklings are alive and they lay egg every day. SHG mothers get more money from Ducks and hens and ST

farmers get more money from cultivation.

All the above programmes were Organised by Vikas Kendra and Supported by CRIJAF. We organized some programmes at Paschim Simla Dighirpara. The details are given bellow:

Sl. No.	Date	No. of Beneficiaries	Subject Discussed
01	16.04.15	21 ST farmers & women	Duck treatment, land preparation of jute cultivation
02	26.06.15	23 Farmers	Aman paddy cultivation,
03	12.08.14 & 06.09.14	42 Farmers	CRIJAF Sona and also celebrated a Cleaning Day
04	28.12.15	22 Farmers	Seed treatment

### **Govt. Training Programme**

Central Research Institute for Jute and Allied Fibers (CRIJAF), arranged some training programmes in their own premises. Our farmers and staff joined that training programmes for gathering of knowledge. The details are given bellow:

Sl. No.	Date	Place	No. of Beneficiaries	Subject Discussed
01	30.09.15	CRIJAF	22 ST farmers & 1 staff	Soil testing
2	29.12.2015 to 31.12.2015	CRIJAF	50 nos. ST farmers	Integrated seed management practices
03	27.01.16 to 29.01.16	CRIJAF	36 ST farmers	Maintenance of Agriculture equipments
04	10.02.16 to 12.02.16	CRIJAF	28 nos. ST farmers	Integrated weed management
05	03.03.16 to 05.03.16	CRIJAF	50 nos. ST farmers	Integrated weed management of Jute crop
06	05.03.16 to 08.03.16	CRIJAF	36 nos. ST farmers	Improvement of Jute cultivation

### **Central Assisted Scheme– Paramparagat Krishi Vikas Yojana (PKVY)**

The State Government has been very much concerned for the

last few years over the soil health status due to intensive agricultural practices of the State. In view of this the State had taken INM programme through various Central and State Programmes to address the major problems of Soil Health Management (SHM). Upon introduction of “Paramparagat Krishi Vikas Yojana (PKVY)” under National Mission on Sustainable Agriculture (NMSA), a Central Scheme, the State Govt. has decided to promote organic farming in the selected districts through this project during 2015-16 with the objective of

- Development of organic village through on-farm Natural Resource Management for sustainable and chemical residue free agriculture production.
- Reduction of dependency on fertilizers and agro-chemicals.
- To promote commercial production under organic concept.
- Expansion of area under organic cultivation through PGS certification for development of domestic organic market source for the benefit of farmers.

Paramparagat Krishi Vikas Yojana (PKVY): PKVY, an elaborated component under SHM of major project NMSA, envisages Organic Agriculture for production of agriculture products free from chemicals and pesticide residues by adopting eco-friendly low cost technologies where organic farming is promoted through adoption of organic village by cluster approach and PGS certification.

As per G.O.I. NMSA Guidelines the Soil Health Management (SHM) component including PKVY will be governed at the district level by the District Monitoring Committee (DMC). The Government of West Bengal selected 2 clusters (50 farmers in each group), one is Panji and And the other is Manab Jamin located at Mirzapur village of Bolpur-Sriniketan block under Birbhum, West Bengal in collaboration with Vikas Kendra. All the groups were looked after by Vikas Kendra Agriculture Department.

Panji and Jangalpur villages are located in Jadurhati Gram Panchayat under Baduria block of North-24 Parganas district. These villages are relatively backward and not so economically sound. There are around Six hundred families of Scheduled Cast, OBC and Minority Community. Major source for livelihood for these families in the villages are farming either in their own land or in leased land. Some youths and family heads are involved in other works like masonry, private jobs in Kolkata, some are engaged in agriculture fields on daily wages and their family members also assist them by contributing in the farming to meet their livelihood. There are around forty Self Help Groups (SHG) in these villages. Many of the women are registered in these groups. But the activities of these groups are not effective because of lack of sufficient trainings on various enterprises.

As per the preliminary survey of the village, the major crops grown by the villagers are jute, paddy, sesame, mustard and other crops. It was observed that the farmers are not following improved cultivation practices because of lack of awareness/knowledge about various improved production methods. In order to enhance the livelihood security of these farmers the following interventions can be undertaken in the villages in the coming crop season.

All the programmes are Organised by Vikas Kendra and Supported by Government of West Bengal. We organized some programme at Vikas Kendra (Farmers from Panji, Pingaleswar and Jangalpur). The details are given bellow:

Sl. No.	Date	No. of Beneficiaries	Subject Discussed
01	04.03.16	50 SC farmers	First meeting for cluster formation
02	09.03.16	100 Farmers (Jangalpur-50, Panji-43, Pingaleswar-07)	Cluster formation Second meeting, Vermi compost making, Organic Cultivation

## **Model demonstration–cum-Training programme for awareness about proper retting technology of Jute**

### **Objective:-**

- To develop knowledge and skill about proper retting techniques of jute fibre.
- To develop knowledge and skill about grading of jute fibre.
- To disseminate the knowledge and skills to a mass group.

Each farmer would bring raw Jute from their land near water body where Method Demonstration would be made. For this demonstration one or more numbers of water body may be selected according to the suitability and availability.

### **Preparation of Retting Stack (JAK)**

- i) Preferably fresh water body may be selected.
- ii) In every jute bundle few stems of ‘Dhaincha’ or ‘Barbati’ may be inserted for quick & uniform retting.
- iii) Jute bundles may be assorted by traditional way or any convenient way.
- iv) After assortment of Jute bundles, a layer of water plants, water hyacinth etc. may be given.
- v) Finally Jute bundles would be covered by the polythene sheet.
- vi) Sand bags would be used as weighing material.
- vii) Banana stems, Soil etc. should not be used under any circumstances.

### **Extraction of Jute Fibre**

The retting stack (JAK) should be checked by the beneficiary on regular interval. When retting of Jute Fiber is completed, extraction of Fiber would be done by the beneficiary.

This year 40 numbers of demonstration were presented in our project area. All the demonstrations were organized by Vikas Kendra and supported by Agriculture Marketing Department, Govt. of West Bengal.

The details are given bellow :

Sl. No.	Name of Village	No. of Demonstration
01	Ramchandrapur	05
02	Masia	04
03	Kankrasuti	02
04	Dwipmadia	01
05	Jangalpur	02
06	Panji	02
07	Paschim Simla	04
08	Atghara	01
09	Baliakhali	09
10	Bishnupur	10
Total		40

### **Report on HARITAKI, BAHERA & BAEL Campaign Programme**

The West Bengal State Medicinal Plants Board was set-up in the year 2002 and is functioning under the control of the National medicinal Plants Board. Realizing the resurgence of Indian traditional medicines across the world and corresponding increase in demand of medicinal plants, Society for Equitable Voluntary Actions (SEVA) with the financial assistance and design of West Bengal State Medicinal Plant Board started its journey with **HARITAKI, BAHERA & BAEL CAMPIGN PROGRAMME** throughout the North 24 Parganas District of West Bengal.

Society for Equitable Voluntary Actions (SEVA) is working since the year 1985 (Registered under WB Societies Registration Act on 1986) and having expertise in Women Empowerment, Agriculture, Livelihood and Public health. The programs

implemented by SEVA not only ensured proper nutrition to adolescents, pregnant women, lactating mothers, infants and school going children but also helped in community mobilization, bringing back the out of school and drop out children, accelerate children's learning through quality education, bridging the gaps in accessing services of government health care providers and ICDS, land/water development and management and humanitarian assistance to the people.

In order to ensure program quality, there are separate programs to cater to specific groups and institutions. SEVA developed two projects one is Vikas Kendra located at Atghara Village of Baduria Block under North 24 Pargans District and the other is Manab Jamin located at Mirzapur Village of Bolpur-Sriniketan Block under Birbhum of West Bengal, India.

WBSMPB advice to SEVA to implement the 1<sup>st</sup> phase of **HARITAKI, BAHERA & BAEL** Campaign Programme of National Medicinal Plant Board through 4 programmes which are:

### 1. School Awareness Programme [6 nos.]

The details are given bellow:

Sl. No.	Date	Place	No. of Participants
01	08 <sup>th</sup> September 2015 (Tuesday)	Kolsur Balika Vidyalaya	59
02	16 <sup>th</sup> September 2015 (Wednesday)	Sannia Atghara (p) Dr. Zakir Hossain Sikhsa Niketan	154
03	23 <sup>rd</sup> September 2015 (Wednesday)	Chowgacha Model Academy	48
04	28 <sup>th</sup> September 2015 (Monday)	Dakshineswar Sree Sree Sarada Debi Balika Bidya Mandir	84
05	30 <sup>th</sup> September 2015 (Wednesday)	Srinagar Adarshya Pancha-Palli Vidyalaya	60
06	08 <sup>th</sup> October 2015 (Thursday)	Baradaprosad Girls High School	53

## 2. Local Fair [2 nos.]

The details are given below:

Sl. No.	Date	Place	No. of Participants
01	3 <sup>rd</sup> October 2015 (Saturday)	Kolsur-Bagjola Bazar	1015
02	5 <sup>th</sup> October 2015 (Monday)	Atghara Bazar,	446

## 3. Capacity Building of Anganwadi Workers [4 nos.]

The details are given below:

Sl. No.	Date	Place	No. of Participants
01	26 <sup>th</sup> August 2015 (Wednesday)	Vikas Kendra Campus Office	27
02	29 <sup>th</sup> August 2015 (Saturday)	Madhusudhankati MSKUS	28
03	11 <sup>th</sup> September 2015 (Friday)	Chakla GP office,	32
04	19 <sup>th</sup> September 2015 (Sutarday)	Gulai Chandi BVNEWS Office	27

## 4. Value Addition Programme Project of SHG [4 nos.]

The details are given below:

Sl. No.	Date	Place	No. of Participants
01	04 <sup>th</sup> to 07 <sup>th</sup> November 2015	Vikas Kendra Office, Po-Atghara	26
02	26 <sup>th</sup> to 29 <sup>th</sup> November 2015	Vikas Kendra Campus Office	21
03	03 <sup>rd</sup> to 06 <sup>th</sup> December 2015	Vikas Kendra Campus Office	22
04	08 <sup>th</sup> to 11 <sup>th</sup> December 2015	East Bishnupur Farmers Club Office	21

To improve the health care system with the active involvement of all stakeholders concerned in Jasaikati-Atghara & Jadhurhati Uttar Gram Panchayat under Baduria Block, Vikas Kendra has been working for increasing the involvement of community people & various community groups for effective implementation of National Health Mission (NHM), which is under Basic Health Care & Support Programme. We got the support from MEMISA-DGD, Belgium & West Bengal Voluntary Health Association.

Vikas Kendra is the partner of North 24 Parganas District Health Forum. Health Forum has been working in North 24 Parganas since 2006 for strengthening the Govt. Health System, ensuring the Health Rights, organizing CBOs/NGOs who are working in health field, Data sharing & Policy level Advocacy.

### 10. Community Awareness

We organized 17 nos. of Community Awareness meetings on various govt. health services & schemes (Janani Suraksha Yojona & Nischay Jan etc.), Brest Feeding, Diarrhea and their accessibilities under Basic Health Care & Support Programme. Details are given below:

Sl. No.	Date	Place	Participants
01	05.04.15	Jasaikati	12 Community People
02	25.05.15	Jasaikati	14 Community People
03	16.06.15	Jasaikati	15 Community People

04	13.10.15	Jasaikati	17 Villagers
05	15.10.15	Jangalpur	12 Villagers
06	16.11.15	Jangalpur	11 Villagers

## **17. Promotion of on Integrated Management of Neo-Natal and Childhood Illness (IMNCI)**

We organised 4 numbers of orientation meeting on Integrated Management of Neo-Natal and Childhood Illness and discussed the Importance of Colostrums Milk & Breast Feeding upto six month. They also discussed regarding Four Breast Feeding Methods, Acute Reparatory Infection & Diarrhea. We have showed a documentary film on the above subject. Details are given below:

Sl. No.	Date	Place	Participants
01	29.06.15	Narayanpur	12 Mothers
02	13.08.15	Jangalpur	15 Mothers
03	21.12.15	Jasaikati	12 Mothers
04	26.12.15	Jasaikati	14 Mothers

## **18. Orientation of PRI Members**

An orientation meeting was organised on 25.06.15 at Jasaikati-Atghara GP with 26 PRI members & GP officials regarding Village Health Sanitation & Nutrition Committee (VHSNC). Govt. has declared that every Samsad will have a Village Health Sanitation & Nutrition Committee (VHSNC) under National Health Mission (NHM). They will monitor the Govt. services & schemes. But till now most of the Samsads have not formed such VHSNC committee. SEVA has taken initiatives for assisting to form this committee.

## **19. Small Local Initiative**

We organized 8 nos. of meeting with mothers of school going children in collaboration with Anganwadi Centres On Importance of organic kitchen Garden for prevention of Malnutrition. 10 mothers set up organic kitchen garden under small local initiative programme.

## **20. Non Communicable Diseases**

We organized 3 nos. of meeting on Non Communicable

Diseases, it's called lifestyle disease. We also organized screening camp in collaboration with Govt. Health System.

## 21. Case Building

We have done 2 numbers of Case Building exercise. It is a new idea. Last few years we highlighted on case studies which were success stories. But case building is a assimilation of success & unsuccessful stories. Case Building exercise has some steps. At first we have collected cases then analyzed those and found out the direct cause, indirect cause & stakeholders who are directly or indirectly involved with this case. After that we have prepared an Action Plan & Advocacy tools. According to this we have organized some programmes.

## 22. Homeopathy Clinic

Vikas Kendra is rendering health services to community people through Dr. Arun Sen Memorial Health Clinic. Dr. Pranab Chowdhury, DMS, treated 1271 nos. of patient. Details are given below:

Month	No. of Patients Treated		
	Male	Female	Total
April'15	33	41	74
May'15	27	39	66
June'15	33	27	60
July'15	47	39	86
August'15	29	33	62
September'15	38	29	67
October'15	39	31	70
November'15	39	53	92
December'15	37	64	101
January'16	38	42	80
February'16	25	41	66
March'16	39	53	92
<b>Total</b>	<b>424</b>	<b>492</b>	<b>916</b>

### **23. First Aid Service**

We have given First Aid services to 36 nos. of cases & 30 persons were given Tetanus Taxied injection.

### **SHORT STAY HOME**

This is an activity supported by Central Social Welfare Board, Govt. of India started as on 01.04.1997. We started the year with 11 women and 2 children.

The inmates of the Home are doing the day to day activities like cleaning, cooking, washing etc by themselves.

The medical needs are always looked after by the attending Doctor.

Entertainment facilities are there like Cultural Programme (Indoor & Outdoor), Television, Picnic, Outings & Many indoor games.

We are giving vocational training for rehabilitation purpose like Tailoring, Hand Embroidery, Nursing Training, Food Processing, Mat Binding, Art & Craft, Bori Making etc.

Children's are going to Sishu Vikas Kendra & Local F.P. School and Adolescents girls are going to Local High School.

**Total Sanctioned Seat** : 30 (Deserted women with 1 child,  
Widow Women with 1 child,  
Trafficked girls & Social orphans)

**Maximum stay period** : 3 years

**Age limit** : 15 to 35 years aged women (with  
children up to 7 years)

## ANANDA KENDRA

Ananda Kendra, 'Centre of Joy' has been established in 1993 and is functional since 1995. The Senior Citizens, Social Orphans, Battered Woman and Child Labours are main participants of this project. We have started and continuing this experiment with unfortunate four sections of our society to road to life.

There is a comprehensive plan for the all round development of these people. Building up of awareness and consciousness about the world environment is very important step towards that end. We observe the various days of importance and significance with active participation of the inmates. The following is the details.

Days of National Importance and days of festivities are also observed with due fervour by the inmates of Ananda Kendra.

### Observance of Important Days:

Sl. No.	Occasion	Date	Programme
01	Foundation Day of Vikas Kendra	01.04.15	Lecture & Cultural Function
02	Foundation Day of Ananda Kendra	03.04.15	Lecture & Cultural Programme by our Ananda Kendra inmates.
03	Rabindra Jayanti	19.05.15	Lecture & Cultural Programme
04	Independence Day	15.08.15	Flag Hoisting & National Song
05	Rakhi Bandhan	29.08.15	Binding Rakhi & Cultural Programme

Ananda Kendra	03	00	04	07
Rehabilitation of Child Labour	00	00	00	00
Senior Cetizen	00	00	00	00
	20	01	28	49

The objective of Sishu Vikas Kendra (SVK) is to impart pre-primary education to the distressed rural children and upgrade them mentally and to be able to sustain educational pressure for the next higher classes.

After completing pre-primary education, we take them for admission in the nearest primary school and private missionary schools. This year 10 children were enrolled in the local primary school.

We took up the work of Child Development Centre not as a base point of education but as the platform to start with building mental set up to hold basic responsibilities. Keeping it in view, our teachers are advised in taking care of SVK children and they are doing their best in doing so and at the same time developing hearty relationship between local youth and our centres. They arrange monthly meeting with the mothers and also other programmes for them.

## Guardian Meeting

Monthly meeting of guardians with the guardians of SVK children is a very important step in this direction. During this year 12 guardian meeting took place in our SVK Centre. Subjects discussed in the meetings were on Child Care, Food & Nutrition, Kitchen Garden, Family Planning, Immunization, Discipline, First Aid, Utility of Medicinal Plants, Importance of Cleanliness and Child Education. Details are given below:

Sl. No.	Date	Place	Participants
01	13.04.15	Centre SVK	15 guardian
02	13.05.15	Centre SVK	14 guardian
03	29.06.15	Centre SVK	16 guardian
04	13.07.15	Centre SVK	15 guardian

05	13.08.15	Centre SVK	14 guardian
06	14.09.15	Centre SVK	17 guardian
07	13.10.15	Centre SVK	22 guardian
08	17.11.15	Centre SVK	15 guardian
09	27.12.15	Centre SVK	17 guardian
10	13.01.16	Centre SVK	14 guardian
11	12.02.16	Centre SVK	12 guardian
12	12.03.16	Centre SVK	12 guardian

### **Home Visit**

The teachers have done total 305 visits during the year to the houses of children of our SVKs. The main purpose of such visits was to ensure regular attendance of children in school and to have personal interaction with the mothers to share their family problems, discussion on improvement of health, ailments and the remedies with the family members.

### **Annual Sports**

Games and sports play important role in making body and mind healthy to every human being. We organize annual sports every year for our SVK children and associate members. This year the event took place at Centre SVK on 29<sup>th</sup> January'2016. SVKs current and ex-students, their mothers and the committee members participated in the sports events.

### **Annual Picnic**

All the SVK children along with the teachers participated in the annual picnic held in 27<sup>th</sup> December'2015. Mothers and committee members also joined the happy occasion. The programme was a source of fun, joy and a feeling of togetherness for the children.

### **Observation of Memorable Days**

Days of National importance and relevance in our life, Independence Day, Republic Day, Netaji's Birth Day, Rabindranath Tagore's Birth Day and Rakhi Bandhan Day were celebrated with great honour and respect.

## WOMEN HELP LINE

The Central Government has introduced Help Line or help phone in West Bengal to assist the helpless and endangered women.

The 24 hours help phone has been introduced in Kolkata & its surrounding areas. If women are in danger on the road this phone may be of great help to them. The people of voluntary organization will come forward to help the endangered & helpless women if the scheduled numbers are dialed. The arrangement for taking legal action by law & the police will also be available in this regard & all the expenditures are borne by the Human Resource Development Department of the Govt. of India. The Help Line numbers of the voluntary organisation are **10921, 10922, 10923, 10924, 10925 & 10926**. The Help Line number of Kolkata Police is 1091. Women Help Line services started at Vikas Kendra from April 2004, with the toll free number of **10926**. The Department of Human Resource Development has directed to handle cautiously, each case in the village area & they are also under the women Help Line scheme. The following issues are under the case of the Department of HRD of Govt. of India.

- Any disturbance on road during travelling.
- Victim of Deprivation.
- Emotional problem.
- Social oppression.
- Accidental cause in family.
- Driven away from family relatives.
- Forceful Divorce.

- Inability in returning to family after being released from imprisonment.
- Become homeless due to natural calamity.
- Forced to be engaged in sexual activities illegally.
- Sexually tortured or abuse.
- Without getting any help from family & victim of tension.
- Mentally handicapped / retarded.

### **Help Line Work Methodology**

- Help Line team believes that every person in need who contacts them is important. A woman may call the centre just to ventilate or for any kind of immediate help. Thus each call needs to be attended with due care.
- Help Line is a participatory intervention process of finding solution to individual problems & solutions must not be imposed upon the clients.
- Help Line is a strategy to network with other organizations in order to provide required help to the needy.
- Follow-up is done by making regular calls to referral organization to review the case & by involving allied organizations for keeping personal contact.
- Regular contact is maintained with telephone department to ensure that the telephone lines are in order.
- Regular meetings are organized with resource organizations for updating the data bank for referral services.
- Documentation on the experience of the Help Line.

It is to be ensured that appropriate level of confidentiality is maintained in each case.

The women Help Line was established in April 2004. The Toll Free Phone Number in Habra Telephone Exchange is **10926** & other is (not toll free) **03216-220635**.

This Women Help Line at present is consisting of two members & their service is available for round the clock. The name of Help Line Counselor Ms. Shabari Sanyal (M.S.W.)

## **Titumeer fair**

Titumeer is the 1<sup>st</sup> martyr in India's quest for freedom, who gave his life on 19<sup>th</sup> November, 1831, while defending his Bamboo Stockade. We organize an Annual Fair in his memory and to spread the message of development. As martyr Titumeer was son of the soil local population participates in thousands.

On 19.11.2015, 30th Annual Titumeer Fair'15 was inaugurated by Mr. Avik Ghosh. Hazi Amir Ali has given inaugural lecture about Saheed Mir Nisar Ali Titumeer and importance of Annual Titumeer Fair'15. At 12 noon we organised Blood Donation Camp, 92 donors donated blood. In the evening AK inmates performed songs & Drama.

On 20.11.2015 2nd Day of Titumeer Fair'15. We conducted a farmers day programme, on utility of Animal for organic cultivation and its future, Dr. R A Dey, Ex Senior Scientist of NDRI & Mr Abdur Rahaman facilitated this Programme. We also arranged a Organic Vegetables stall at Titumir fair. 36 farmers got prize from their exhibits.

On 21.11.16 3rd Day of Titumeer Fair'15. We organised adolescent conference regarding behavioural changes & problems of adolescent. We have also discussed about 'Annesha Clinic' which is a separate clinic of Block Primary Health Centre. There is a counsellor, three days in a week she counsels

adolescent Girls & Boys and adolescents are going to form a network. Tariqul Hasan & Mohobul Baidya facilitated this programme.

## **library**

We have a library named 'Shahed Titumeer Public Library'. The Library is open for five days in a week i.e. Sunday, Tuesday, Thursday, Wednesday & Saturday. 2350 numbers of many kinds of books are in our library. There are story books, novels, essays, poems, dramas, history, science and religious books also. We have many papers & magazines. All are welcome for library membership. We take token fees. This year District library, Barasat, gives us ₹10000.00

## **Food Processing Unit**

Food Processing Unit is running successfully by the initiative of Vikas Kendra. Different kinds of foods were produced through Food Processing Unit in the financial year 2015-16 like Jam, Jelly, Mango Pickle, Mustered Mango, Squash, Tomato Sauce and honey. These food products have been sold in the market in the brand name of Tripti. Economically weaker inmates of Ananda Kendra financially got some help after doing some work in this Unit and day by day they are getting efficient.

## Meeting/Training/Seminar/Workshop attended by Vikas Kendra staff members in 2015-16

# SANITATION

## Toilet Programme

‘Swachh Bharat’ is the dream of our Prime minister to make India clean and pollution free. We are also a part of the machinery to make the dream true. We co-operated with the Government to build 3800 numbers of household sanitation units for the underprivileged families of 5 Gram Panchayets under Baduria block , Dist- North 24 Parganas in the year 2015-16. We have also achieved success to aware the people about hygienic and healthy usefulness of the sanitation. We are proud for our humble contribution to this great mission of both Government of India and of West Bengal. We hope that we may be a part of every good mission of our Government in future.

## **DHARMAGOLA**

Dharmagola is community grain storage, it was established in 1987. The concept of Dharmagola is “To Stop Distress Sale”. When Marginal Farmers & Small Farmers are producing grain in their own field, at that time due to huge production in the market, market price is down and middle men are take the opportunity. To Stop Distress Sale we purchase the grain in that time at market price, from Marginal & Small Farmers. It is under Atghara Consumers’ Cooperative Society Limited.

Vikas Kendra came into reality in 1985, during 1<sup>st</sup> 10 years in fighting Poverty, Ignorance and Apathy, a realization made us to build Dharmagola. It is an old concept to make a common warehouse based on trust and ethics. The concept was that, the village products to be purchased by Dharmagola when the price goes down and when it goes up, the products are to be sold with a better price. Profit will plough back to the producers. It is under supervision of Atghara Vikas Consumers’ Cooperative Society Limited.

Atghara Vikas Consumers’ Cooperative Society Limited got the registration dated 13.03.2013 from ARCS office, it is under Cooperative Society Registration act.

We have started a Grocery Shop from November’2013. Our Co-operative is gradually gaining ground.

## **Project BARIS in Kolkata**

### **Supported by Japan Water Forum**

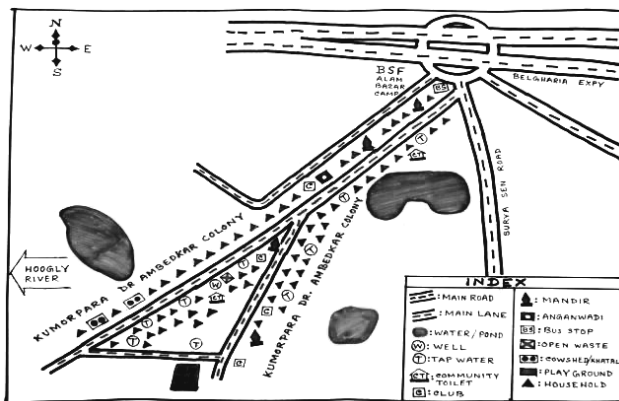

Urban flooding is a recurring phenomenon that Kolkata faces every year during the monsoon. Climate change is likely intensifying the problem with a combination of more intense local precipitation, flooding in Hooghly & coastal storm surges which can lead to widespread and severe flooding that can bring the city to a standstill for a few days. Kolkata has 2,011 registered, and 3,500 unregistered slums. More than a third of the population of Kolkata resides in slums. The increasing population pressure, dense urban environment and low coping capacity of population living in slums make these wards some of the most vulnerable parts of the city. This arises not only from deficiencies in physical infrastructure but also from problems with land-use, socioeconomic and environmental factors. With BARIS, slum dwellers learn difference of bad & good practices by watching & discussing projected Water Disaster Resilience images taken in their own context, presented by people from their own slums, explained in their own language & also develop knowledge about resilience Maps. Under BARIS project the selected kids of Kolkata will expand skills, build upon strengths and directly connect with the civic authorities about unsafe Water Disaster Resilience practices. SEVA developed particular tools for effective participation of Kids to take up the right kind of assignment, purposeful work that increases the citizen's participation and involvement.

With this objective the team of the Administrative Office of SEVA started the work of Project Baris initially from January, 2015 to May, 2015 in the slum areas of Dr. Ambedkar Colony and Rajabagan Lane of Baranagar Municipality, Kolkata-700035 and the process is still going on.

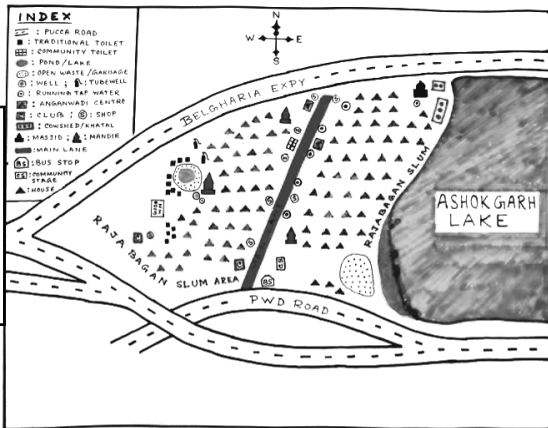

Outcomes of the project:

- I. 200 Kids from 2 Slums got ToT on ICT based Mobile Journalism on Eco-WaSH and Disaster Resilience Issues
- II. Kids are using ICT platforms of Digital Storytelling, Mobile Editing, Cinema Verité, Community News, Fiction Film, Video Blogging, Music Video
- III. They have learnt to empower the poor to speak out, challenge the status quo, share knowledge and solutions for positive change which would lead to a call to action from within the community with localized and actionable information.

## MANAB JAMIN

Manab Jamin a project of Society for Equitable Voluntary Actions (SEVA) has completed nearly 18 years of service for developmental work in Bolpur-Sriniketan block of Birbhum district of West Bengal. SEVA has tirelessly and persistently facilitated the staff members of Manab Jamin to grow and keep the developmental work going on.

Manab Jamin is now working in 2 blocks of Bolpur Sub-Division. These are Bolpur-Sriniketan Block and Illambazar Block.

The project area is rain-fed mono-cropped area and located at arid zone where the land is undulating consisting of Red Laterite and Vindhya Alluvial soil. Rain is very unpredictable and it does not come when it is needed the most and comes when it's not expected. The temperature reaches to 46° C in the summer and drops down to 7° C in winter. Manab Jamin is largely working with Scheduled Caste, Scheduled Tribe and under privileged section of people just to make the place better to live in.

### AGRICULTURE

#### **Commercial Vegetable Cultivation Organically**

This is one of the important programmes of income generation for the SHG women. The women had been trained on organic cultivation of vegetables. The women had sold their products at the local market. During this year, Manab Jamin had organized 5 numbers of demonstration at Binuria, Ramchandrapur, Ballavpur-danga and Kankutia. Three types of seed had been distributed for this programme.

## **Kitchen garden**

Kitchen Garden is one of the important programmes of Manab Jamin. The idea of this programme is to propagate the home stead kitchen garden which is the source of nutritional supply of the family as well as secondary source of earning. This year, 7 types of vegetable seed had been distributed at Laksmipur village of Illambazar Block. This year, 56 numbers of kitchen garden had been promoted.

## **Papaya Seedling Distribution**

Papaya is considered as a fruit as well as one vegetable which contains good medicinal values. During this year 2000 papaya seedlings had been raised at the Manab Jamin campus to increase the food and nutritional status of the people; 831 numbers of papaya seedlings had been distributed among 25 primary schools, individual villagers, SHG members and ECO-group members. In addition to consumption, the villagers also made some income by selling papaya in the local market.

<b>Sl . No.</b>	<b>Name of the Village</b>	<b>No. of Trees</b>	<b>No. of Farmers</b>

## Backyard Orchard

This is one of the popular and environment protection programmes under Manab Jamin. Every year, Manab Jamin distributes fruit trees among the villagers. The objective of this programme is to provide additional nutrition with their regular food consumption and at the same time to increase plant population as well as to prevent soil erosion. This year, 1063 numbers of fruit trees were distributed among 57 numbers of villagers in 6 villages of Manab Jamin project area. The details are given below:

## Greening India Programme

Manab Jamin since its inception has tried to increase the plant population as well as to develop the wasteland through plantation. This is one of the important programmes of Manab Jamin. The objective of this programme is to create awareness among the villagers on the need for plantation of trees and increase plant population & green area. This programme is supported by the Japanese Business Community and Facilitated by Tagore Society for Rural Development. During this year we distributed 3350 seedlings of Timber plant in 7 villages. It has covered 8.45 ha of land.

### **Social Security Programme for Unorganized Sector**

Manab Jamin had organized different trainings for unorganized sector labourers with the help of Central Board for Workers' education on social security programme. As a part of training, Manab Jamin members facilitated the villagers to open the account under the social security programme i.e. SASPFW (State Assistant Schemes for Provision of Future), and Transport Workers' welfare schemes.

For the benefit of unorganized workers engaged in Transport, Manab Jamin implemented the scheme of West Bengal Transport Workers Social Security Scheme through West Bengal State Social Security Board, Labour Department, Govt. of West Bengal. The scheme is applicable to all unorganised workers engaged in transport work used for commercial purposes namely cars, taxies, luxury taxies, light commercial vehicles, vans, auto-rickshaws, tempos, lorries, trucks, bus, etc or other than those solely owned by an individual for his/her personal and/or family use. This year 21 beneficiaries enjoyed the benefit of the scheme. The age limit of Transport Workers' welfare schemes is 18 to 60 years. ₹30/- is to be deposited at the time of opening along with relevant documents against which a receipt will be issued by the office.

During this year, 24 numbers of villagers had registered under this schemes.

Manab Jamin has also facilitated the social assistance schemes for the benefit of unorganized sector labourers with the help of Labour Department, Govt. of West Bengal. The name of the Scheme is State Assisted Scheme of Provident Fund for Unorganised Workers (SASPFUW). The subscribers who are involved in the self employment occupation and work at unorganized industries may get the benefit from this scheme. Through this scheme, the subscriber deposits ₹25/- per month and matching contribution of Govt. of WB is ₹30/-. This year, 87 nos. of villagers under 14 villages have been benefited by the scheme of SASPFUW. All Identity cards of the registered beneficiaries under SASPFUW have been distributed.

### **Training for Scheduled Tribe Unorganised Labour**

During this year, two numbers of training programmes had been organised with the support of Central Board for Worker's Education, Asansol Regional Office at two villages Amradanga of Raipur Supur Gram Panchayet and Pearsonpalli of Ruppur Gram Panchayet of Bolpur Sriniketan Block. The objective of this training is to make a bridge between the under privilege section of the community and Government offices and to explain how the villagers can access and benefitted from the different govt. schemes.

Assistant Labour Commissioner of Bolpur Regional Office, Branch Manager, UCO Bank, Raipur-Supur villagers and Inspector BCW spoke on different schemes. There had also been discussion on the availability and accessibility of different schemes and programmes for unorganized sector labour. The programme covered 80 families of three villages.

## **Training for Scheduled Caste Unorganised Labour**

During this year, two numbers of training programmes had been organised with the support of Central Board for Worker's Education, Asansol Regional Office at Manab Jamin Mirzapur office. The objective of this training was to make a bridge between the under privilege section of the community and Government offices and to explain how the villagers can access and benefitted from the different govt. schemes.

Assistant Labour Commissioner of Bolpur Regional Office, Branch Manager, UCO Bank, Raipur-Supur villagers and Inspector BCW spoke on different schemes. There had also been discussion on the availability and accessibility of different schemes and programmes for unorganized sector labour. The programme covered 80 families of 8 villages under Manab Jamin Project area.

## **Special awareness programme for Mahatma Gandhi National Rural Employment Guarantee Scheme for Unorganized Labour**

Two numbers of 2-days' special awareness programme for MGNREGA for unorganized sector labour had been organized with the support of Central Board for Worker's Education Centre, Asansol Regional Office. 80 villagers from two villages namely Surul and Nurpur had participated in this programme Assistant Labour Commissioner of Bolpur Regional Office, Branch Manager, IDBI Bank, Bolpur and Minimum Wages Inspector , Inspector BCW spoke on different schemes. There had also been discussion on the availability and accessibility of different schemes and programmes for unorganized sector labourer.

## **Special awareness programme for Women Unorganized Labour**

Two numbers of 2-days' special awareness programme for

Women unorganized sector labour had been organized with the support of central Board for Worker's Education Centre, Asansol Regional Office. 80 women from seven villages of Manab Jamin project area participated in this programme. Assistant Labour Commissioner of Bolpur Regional Office, Inspector BCW spoke on different schemes in these programmes. There had also been discussion on the availability and accessibility of different schemes and programme for unorganized sector labour.

### **Self Help Group**

Self Help group is one of the major programmes of Manab Jamin. At present, total number of SHG under Manab Jamin are 72. Among them 64 groups are for women and rest 8 are for men. There are 750 members in all the Self Help Groups. There are 166 ST members, 344 SC members, 12 underdeveloped, 109 minority and 119 general members who are engaged in these groups.

All SHG have opened the bank accounts in scheduled bank. The members have deposited their contribution at the schedule bank and take loan from the scheduled bank.

The members of SHG have taken loan from their own contribution as well as from scheduled bank for small business, poultry, animal husbandry, house repairing, handicraft work, treatment for illness, child education etc.

The SHG members are engaged in different income generation programmes like as Batik, Kantha-stich, leather work, plantation, livestock, mushroom cultivation, etc.

The details are given next:

No. of villages where Self Help Group are organized by Manab Jamin	: 13 villages
No. of Self Help Group	: 72 no of SHG (composed of 64 women groups and 8 men groups)
Total member of Self Help Group	Scheduled Tribe – 166
	Scheduled Caste – 344
	Underdeveloped – 12
	Minority – 109
	General – 119
	<b>Total– 750</b>
Total deposit in own account	: ₹38767.00
Total credit from own fund	: ₹ 142800.00
Bank loan received by SHG	: ₹ 4500000.00
Total refunded to the Bank	: ₹ 715300.00
Loan due to Bank	: ₹ 3784700.00
Numbers of members received Loan/ Credit from SHG/Bank	: 392 members

## EDUCATION

### **Manab Jamin Shishu Kendra (MJSK)**

Manab Jamin has completed 18 years of its work at the backward areas of Birbhum District, West Bengal. The area is mainly inhabited by the members of Schedule Caste and Schedule Tribe. The members of this society are basically agricultural labourer and they go out for work in the morning leaving young children in the hands of their older ones. The older children are expected to perform all the household

activities during the daytime. The situation becomes acute during the time of sowing and harvesting when the demand for agricultural labour increases. We found that the rate of absence increased during agriculture season. The project of Manab Jamin Shishu Kendra has been designed to cater the educational needs to the children between the age group of 3 – 5 years. At present 6 MJSK are running at 6 villages under Manab Jamin Project Area where 166 numbers of children are studying. The details are given in a table as following :

Name of MJSK	Admitted to Primary School	New Admission
Supur	12	12
Nurpur	15	15
Hatrasulganj	12	07
Mirzapur	17	17

Binuria	10	08	18	4	2	5	5	-	-	-1	1
Bahadurpur	15	09	24			8	7	2		5	2
<b>Total</b>	<b>98</b>	<b>64</b>	<b>162</b>	<b>25</b>	<b>14</b>	<b>51</b>	<b>38</b>	<b>8</b>	<b>2</b>	<b>14</b>	<b>10</b>

The children are getting nutritious food regularly. Mothers meetings had been held at their schools on bi-monthly basis where they discussed about the progress of the children. We keep records of weight and height of the children in their individual files at 3 months interval. At the end of the session, the teachers of MJSK took the initiative for admission of the children at the local primary school. MJSK In charge visits the school regularly.

### **Mothers Meeting**

Every mothers' meeting is very important to maintain liaison with guardians/mothers of MJSK children. These meetings are held on every 2 months interval in each MJSK. Discussions on child care, child education, kitchen garden, food & nutrition, immunization, family planning, rules & regulation of the MJSK, health & hygiene, ICDP, etc. are also organized. This year, 33 numbers of mothers' meetings had been organized at six numbers of MJSK.

### **Committee Meeting**

Every MJSK has own local committee to look after the smooth functioning of the Unit. The committee members meet once in every quarter. There have been discussions on admission of new children in MJSK, admission of old children at local primary school, collection of childrens' contribution, solution of local problem related to MJSK. This year, 14 numbers of committee meeting had been organized at six numbers of MJSK

### **Home Visit**

Home Visit is an important tool to run MJSK. All the teachers of the MJSK had visited the children's houses once in every week. Rapport building has grown up between the teacher and parents as well as family members of the children through the Home-Visit. They have personal interactions with the family members on kitchen garden, seed distribution, SHGs, health check up of children, queries about irregularity of children

attendance and information about the mothers' meeting etc

### Education Support programme

This is a regular programme of Manab Jamin where text books are distributed among students of scheduled caste, scheduled tribe, other backward class and economically weaker sections under Manab Jamin Project Area. During this year, 54 students from 20 villages got textbooks, who are studying in Class XII. 45 students from 12 villages had got textbooks, who are studying in class XI. 27 students from 10 villages had got textbooks, who are studying in class IX & X.

## ECO Groups

Ecological movement has been started under Manab Jamin since last twelve years. At present 9 eco groups are working actively at eleven villages of Manab Jamin project area. The idea is to create awareness against environmental pollution and to grow habit for tree plantation to protect the environment. The members of Eco group are in the age group of 11 to 18 years and students from class VI to XII and most of the eco-group members belong to farmers & daily labourer family.

Apart from this, FGF (Future Generation Farmers) members meet once in a week. They were also engaged in different social activities throughout the year. They participated in the programme of important days related to environment like Earth Day, World Environment Day, Meen Mangal, World Water Day and World Forest Day etc.

## HEALTH

### Meeting on Health Awareness

This programme is for the mothers and children in Manab Jamin project area. The idea of this programme is to create awareness among the women on health, hygiene, sanitation, family planning, nutrition, immunization, personal health & hygiene, safe food for pregnant and lactating mothers and children, and under age pregnancy etc. During this year, the Health in-charge had conducted 6 numbers of health awareness meeting in different villages where 60 mothers were present.

### **Meeting on use of medicinal plants**

This programme is for the mothers in Manab Jamin project area. The idea of this programme is to create awareness among the women on use of medicinal plants for prevention of primary diseases as well as for reducing the cost of allopathic medicine. There had been discussion on use of locally available and affordable medicinal plants for prevention of primary illness. During this year, 4 numbers of meeting had been organized in 4 different villages where 84 women had participated. This year, 84 numbers of Aloe Vera plants had been distributed to promote medicinal garden .

Sl. No.	Date	Place	No. of Mothers Participated
01	07.10.2015	Lakshipur	56
02	20.02.2016	Charakdanga	9
03	01.03.2016	Mirzapur	11
04	05.03.2016	Hatrasulganj	8
Total			84

### **Observance of Important Days**

#### **Meen Mangal Utsav**

Every year Manab Jamin organizes Meen Mangal Utsav. This year, Meen utsav was held at the bank of the Ajoy River at Supur village on 20th September, 2015. 200 Eco Group Members, Future Generation Farmers Group, Youth Leaders, Manab Jamin members and guests participated in this programme. Prof. Sakti Bhattacharya, Prof. Madhushree Ghosh, spoke on the importance of the festival. The Eco Group

Members and Youth Leaders have performed a short cultural programme. At the end of this programme 1500 fishlings were released in the river Ajoy.

### **Observance of Children Day**

The 14<sup>th</sup> of November is celebrated every year by the people of India as Children's Day. It is the birthday of Pundit Jawaharlal Nehru - the first Prime Minister of free India. This year, Manab Jamin had organized Children's Day at the open stage of Nurpur Ambagan Gram Unnayan Samity. Around 65 children, villagers and eco group members gathered to celebrate the Children's Day. The children of MJSK centre of Nurpur, Supur and Hatrasulganj performed a short cultural programme

### **Observance of National Consumer Right's Day**

National Consumer Day was organized at Manab Jamin office campus with the help of Consumer Affairs and Fair Business Practices, Birbhum Regional Office, Suri on 24<sup>th</sup> December, 2015. There had been discussion on Food and Adulteration. Mr. Ramapada Mukhopadhyay, Assistant Director, CA&FBP, Birbhum R.O, Suri spoke on the importance of the day. Dr. Kalipada Pramanik and Dr Bholanath Mondal of Palli-Siksha Bhavan had delivered the speech on food and adulteration. Nearly 156 members of Eco group, SHG women and farmers had participated in this programme.

### **Observance of World Law Day**

World Law Day was observed on 20<sup>th</sup> December 2015 at Manab Jamin Mirzapur Campus through an awareness meeting with the villagers of Mirzapur on legal literacy with the help of Sub-Divisional legal Aid clinics. 65 members of SHG, villagers and guests were present in the meeting.

### **Observance of Manab Jamin Foundation Day**

Manab Jamin had observed the 18<sup>th</sup> foundation day through a

meeting at Manab Jamin Mirzapur Campus on 2nd October, 2015. All the members of Manab Jamin had participated in this programme. The members of Manab Jamin shared their experiences during the journey of these eighteen years of Manab Jamin. Miss Sunanda Mukhopadhyay had presided over the meeting.

### **Field Placement of the Student**

During this year, two undergraduate students of Department of Social Work, Visva-Bharati had been placed for one year Field Placement for their course curriculum. During this period, they visited Manab Jamin Project Area and assisted in different programmes of Manab Jamin. Their performance during this period was satisfactory.

### **Training / Meeting / Seminar / Workshop attended by Manab Jamin members**

# SANITATION

## **BARIS - ECO-WaSH Literate Model Villages**

This year, Manab Jamin had started to work on BARIS - Eco-WaSH Literate Model Villages at 10 selected Scheduled Tribe predominant Villages under 9 different Gram Panchayets of Bolpur-Sriniketan Community Development Block With the help of National Council for Science & Technology Communication, Department of Science & Technology to be in operation for the period from January 2016 to December, 2017. The objectives of this programme are:-

- Explore indigenous innovative techniques of SC&T Communications on ECO-WASH;
- Develop experimental methodologies of sensitization and of information services concerning the use of Eco-WaSH for developing Model Villages;
- Attitudinal change of villagers on modern technologies for safe hygiene and water purification practice.

More people practice open defecation in India than anywhere in the world – more than 600 million individuals. Although access to improved sanitation is steadily increasing in India since the year 2000 the pace of change is too slow. If the current trend continues, India will miss the Millennium Development Goal (MDG) target for sanitation, and without India the world will not be able to achieve its targets. Clearly accelerating access to and use of toilets and hygiene practices have become a national priority for India. Improved sanitation is not prioritized in many households and the links between open defecation and common diseases, including diarrhea are not understood. Practicing open defecation creates an environment where disease transmission takes place.

Manab Jamin is working with this project at the following villages:-

Sl. No.	Name of the Villages	Name of the Panchayet	Name of the Block
01	Mohisdhal, Sarbanandapur	Sarpalehana-Albandha	Bolpur-Sriniketan
02	Dangapara, Khoshkadam-pur, Monadanga, Nildanga, Rintoladanga, Tantijole	Kankalitala	Bolpur-Sriniketan
03	Fuldanga & Shyambati	Ruppur	Bolpur-Sriniketan
04	Bergram	Kasba	Bolpur-Sriniketan
05	Adibasipara, Dhyannysara, Durgapur	Sian-Muluk	Bolpur-Sriniketan
06	Asadullapur, Ghoshaldanga	Sattore	Bolpur-Sriniketan
07	Chandanpur	Raipur-Supur	Bolpur-Sriniketan
08	Uparkhara,	Bahiri-Panchsowa	Bolpur-Sriniketan
09	Palpara	Bahiri-Panchsowa	Bolpur-Sriniketan
10	Jahanabad	Singhee	Bolpur-Sriniketan
